Lots of COLOR Pictures Inside!

This is our office and main packing plant—just one of our four units designed for quick service.

Tyler, Texas, is famous as the principal source of rose bushes for the whole United States. Vermay Nursery is proud to be counted as one of the most reliable growers in this rose-covered region. Many years of priceless experience combined with the best of modern machinery and the ceaseless determination to do the job right, make Vermay your dependable nurserymen.

TERMS: Usual trade terms to Nurserymen of established credit; otherwise 25% cash with order, balance C.O.D. 3% discount allowed if cash accompanies your order.

LIABILITY: We accept all orders upon condition that they shall be void should any injury befall our stock or conditions happen over which we have no control.

GRADING: Our grading is equal to or exceeds the American Association of Nurserymen standards. All stock used is strictly first class, machine dug, properly packed and shipped.

GUARANTEE: We guarantee our stock to be fresh, disease free, and every effort is exerted to keep our stock true to name. We give no warranty, however, expressed or implied as to the description, life, or productiveness of our stock; and in no event will we be liable for any amount greater than original purchase price.

CLAIMS: All invoices are payable at Tyler, Texas. No claim for rejections or deficiencies will be entertained unless made within five days after arrival of stock. Stock travels at risk of purchaser.
